GOALS STATEMENT INSTRUCTIONS

The Goals Statement should be written in essay format. Please reflect on the appropriateness of this program to your academic, experiential, and personal objectives. In addition to addressing the following questions, please specify any interests you would like to pursue through this program. If you are applying to both a first and second choice program, two separate Goals Statements may be appropriate.

1. What are the main academic and experiential objectives you plan to accomplish through this program?
2. How do these objectives relate to your degree program and your life aims?
3. What preparations – academic and other experiences – have you completed or will you complete prior to the program? (This may include relevant course work, travel, and work experiences.)
