Intern In Marbella and San Pedro

Marbella and San Pedro are sister cities in the Costa del Sol region in the South of Spain (Andalucia). Both border the Mediterranean Sea and also, with newly built urbanizations and golf courses, it is possible to travel across a new, wide highway and up into the Sierra de Ronda mountain area. There are multiple beach cities, pueblos and resorts dotting this part of the coast and all are accessible by a very efficient, relatively inexpensive public transport system. Malaga is the nearest capital city, at around 40 minutes by car or bus. Marbella is a beach resort and major port destination with multiple marinas that house beautiful boats. There is an old town “Casco Viejo” in Marbella, but mostly it is a modern, wealthy resort that offers much to a traveler looking for ease of movement and good fun. Where Marbella is glitzy and jet-set, San Pedro retains more of a pueblo feel. Adelante provides internships and language classes in both cities, depending on the work sector you choose.
