

Kaplan Aspect

San Francisco

Welcome to Kaplan Aspect San Francisco. The school has a vibrant and lively atmosphere, a comprehensive range of Kaplan Aspect courses, first-class learning facilities and is in a great location in downtown San Francisco.

San Francisco is one of the world's most beautiful and sophisticated cities. Silicon Valley, Pacific Heights, Victorian mansions and modern surroundings all make San Francisco a year-round destination for tourists. With a population of 700,000 and more than 5 million in the whole Bay Area, San Francisco is a lively and open-minded city which is very popular with international language students.

The Bush Street building was built in the 1970s and Kaplan Aspect San Francisco was established there in 1996. The school is located on the 5th floor of this modern 10-floor office building and there is a patio on the 6th floor, which is available for student use. The school is located in the centre of the city, next to the financial district, China Town and downtown shops.

Kaplan Aspect Educational Programs in the USA are accredited by the Accrediting Council for Continuing Education and Training.

Kaplan Aspect is a member of AAIEP (American Association of Intensive English Programmes), TESOL (Teachers of English to Speakers of Other Languages) and NAESA (Association for International Educators).
