# Volunteer Abroad

## Why Embark Upon a Volunteer Abroad Program?

Volunteering abroad offers a unique opportunity to stimulate personal growth while making significant contributions to the local community. Whether it is two weeks teaching English to underprivileged youth in India, three months working in an orphanage in Kenya, or six months assisting with turtle conservation in the Galapagos, volunteering abroad allows for a flexible time frame while you gain valuable personal and global perspective. Open your heart, lend a hand, and seize the day as you embark on a purpose filled adventure.

## Benefits and Highlights

**Make a Difference:** Volunteering abroad allows you to travel with purpose and provides activities to look forward to. Be a global citizen and create positive change in our world and within your own spirit.

**Grow Your Sense of Self:** Volunteering always improves your sense of self worth. Volunteer abroad and gain multiple benefits as you test your abilities, develop new skills, grow in your adaptability, confidence, and independence.

**Travel Logistics:** Room and board are pre-arranged and included in our programs. Excursions and cultural activities are available as additional activities.

## Why Choose *Cultural Embrace*?

*Cultural Embrace* has developed relationships with orphanages, schools, conservation initiatives, hospitals, animal rescue centers, and non-profit organizations. We work with your objectives and preferences to best match you with the goals and needs of the local community you visit.

# Teach Abroad

## Why Teach Abroad?

Teaching English is one of the most budget friendly ways to travel, immerse yourself in a new culture, and gain practical teaching experience. Cultural diversity and English language skills are increasingly necessary in a global economy. Help others improve their personal and professional endeavors, as well as your own. Our teachers rave about their students while abroad, and gain immense perspective and personal growth from their interactions within the school and community. Live and travel abroad while doing something inspiring, fun, and valuable!

## Benefits and Highlights

- Guaranteed and pre-arranged placements to match your skills and experience with the needs and availability of the local community.
- Monthly salary and negotiable airfare reimbursement in most destinations.
- Affordable way to live abroad for 1 month to one year.
- Housing and discounted meals included for most destinations.
- Practical international teaching experience.
- A fantastic opportunity to improve your foreign language skills while conversing with locals on a daily basis.
- An opportunity to broaden your perspective and world-view.

## Why Choose *Cultural Embrace*?

*Cultural Embrace* has established positive relationships with schools and Ministries of Education around the world to ensure a perfect match between teachers, students, and communities. Classroom education experience and foreign language knowledge are helpful but not required in all destinations. Come see a new side of yourself and the world while giving to a community abroad!
