TESOL Certificate Course Ho Chi Minh City, Vietnam

Ho Chi Minh City, formerly known as Saigon, is unlike any other city in Asia. Although French influence pervades the scene, people from all corners of the world congregate along the banks of the Saigon River, forming a potpourri of ethnic traditions. Recent city-wide renovations also have attracted millions of tourists to the area. The streets are perpetually bustling with energy from the bicycles, sidewalk cafes, markets and food vendors. In addition to the city itself, the Mekong Delta is a gorgeous area to explore. The original Cambodian name for the city means "forest city," alluding to the scenic terrain.
