

## **BUENOS AIRES**

**Buenos Aires** is the capital of Argentina, the second largest country in Latin America and that's why it is an outstanding place to learn Spanish.

Strongly influenced by the European culture, Buenos Aires is sometimes referred to as the "Paris of the South" or "Paris of South America". It is one of the most sophisticated cities in Latin America, renowned for its night life and cultural activities. The beautiful streets and the colonial buildings will make you feel like in a romantic dream.

You also have a lot of excursion possibilities not only in Argentina, but in other countries, which are very easy to reach by bus.

Some of the most important tourist attractions in Buenos Aires are: El Museo Nacional de Bellas Artes, the famous Teatro Colón, where opera stars like Callas, Stravinsky and Caruso have performed

After the internal conflicts of the 19th century, Buenos Aires was federalised and removed from Buenos Aires Province; its city limits were enlarged to include the former towns of Belgrano and Flores - both are now neighbourhoods in the city.
