International Internships
Work the Planet

Testimonials

"Everything is going great so far; thank you so much for all of your help setting this up. I love my work, and I'm making a lot of friends. It was a little hard to meet people at first coming alone, but I've really put myself out there and it's working out! I've also been traveling around the country on the weekends, and I'm actually planning on a road trip!" – Michele M. (U of MD)
