Each city is home to a fully-staffed ACCENT Center that serves as a home base for program participants. The ACCENT San Francisco Center coordinates program enrollment and pre-departure preparation for students, helping to make their transition to living overseas as smooth as possible.

The ACCENT London Center, located in the heart of the Bloomsbury neighborhood in central London, is open during the week for students to use the resource and lending library, ask questions, collect their mail and take advantage of a variety of other student services. Computer access is 24/7.

Program Faculty

DAVE MOORE, Golden West College Teacher of the Year for 2009, was born and educated in England. He earned a BA (Hons) at the University of Greenwich (London) and MA at the University of Newcastle upon Tyne. A well traveled history educator and published author (*The Other British Isles*, McFarland, 2005) he taught for many years in the UK before teaching in the USA under a Fulbright sponsorship. Academic Curriculum

Students may earn 3 summer units of transferable college credit through the Coast Community College District. On-site lectures at London's significant historical and cultural sites are a fundamental part of the academic curriculum. The class integrates important aspects of British culture and examines the role it plays in the course's subject matter.

History 135: History of Britain (3 units)

We will explore pivotal events, personalities and ideas since the late medieval age. Some retrospective reference to ancient Britain will be included. Prominent historical sites in London will be identified and explained. The course involves lecture-discussion and "hands-on history" field trips. London is your classroom! Course taught by Professor Moore. Transfer credit: UC & CSU.

Cultural Program

Cultural learning is an integral part of the Summer in London program. Participants attend on-site lectures at museums and historical sites within and outside London, such as the Churchill War Bunker. Two one-day field trips to Hampton Court and Brighton, as well as a half-day field trip to Greenwich are included in the program. *Field trips are chosen based on the academic curriculum and are subject to change.*
