WHERE THE WORLD MEETS TO STUDY

Berlin

Berlin is a city of contrast and fusion: East meets West, history meets future, art meets underground. As a European center of politics, culture, and art, Berlin attracts countless people to its unique cultural vibrancy, sizzling creativity and raw charm.

Residents and visitors alike are fascinated by the traces of an eventful past that can be encountered almost everywhere in the city. Berlin offers unrivalled educational, intellectual, cultural, and recreational opportunities. Enjoy Berlin's renowned museums, its monuments and memorials, its concert halls and opera houses, its theatres, its pubs and clubs.

Freie Universität Berlin

Freie Universität Berlin is a premier destination for research and education in Europe. It is ranked nationally and internationally among the top research universities in Germany. In 2007, Freie Universität Berlin received awards and funds in the federal and state Excellence Initiative for five graduate schools and three clusters of research. In addition, Freie Universität is one of nine German universities to receive funding for its institutional concept of becoming an "International Network University". Freie Universität therefore not only benefits from remarkable funding, but also provides an outstanding environment for young academics.

Freie Universität Berlin International Summer and Winter University (FUBiS)

Mission

It is FUBiS' mission to provide international students with a premier study abroad program delivering the highest academic quality and furthering the development of intercultural competence.

FUBiS' goal is to provide a stimulating and rewarding experience – academically, culturally, and personally.

About the Program

FUBiS is an intensive academic program through which students can earn credits that may be counted toward their degrees at their home institutions. FUBiS sessions run for 4 to 6 weeks and take place both in summer and winter.

Curriculum

FUBiS offers intensive and semi-intensive German language classes at up to five different proficiency levels. Semi-intensive German language classes meet three days a week whereas intensive German classes meet every weekday. For more advanced students FUBiS offers a Business German course.

FUBiS also offers subject classes, which meet two days a week. These classes are held mostly in English by distinguished German or international faculty.

Study and Field Trips

FUBiS classes make use of the vast historic, cultural, and political institutions and resources Berlin offers. In some classes students have the unique opportunity to attend specially organized and exclusive round-table discussions with decision makers, diplomats, and experts in their field of study.

Transcripts and Credit Transfer

Every FUBiS student receives a transcript of Freie Universität Berlin indicating the class(es) taken, the number of contact hours, the number of ECTS credits earned, and the grades in order to make credit transfer easy.

Viktorija Stadnika, Latvia

„I liked the diversity of the program. I did both German and European studies and I really liked meeting the different kinds of people from all over the world and learning together in the program. I would definitely recommend the FUBiS program. It's intensive but also a lot of fun.“

Student Voices

„Everybody was so friendly and education is fantastic! I loved the atmosphere as it was really not too formal and you could always show your opinion and discuss about everything. I loved the excursions – the Karaoke night rocked. And the German food is absolutely delicious!“
Oratile Thebe, South Africa

„The FUBiS course was great for very beginners. When we came six weeks ago we couldn't speak anything at all and then after six weeks of intensive classes, now we can have conversations and we can get around and do things we want to do. And we have some great friends!“
Beth Sibly, Australien
