**FANTASTIC CAMPUS STAY  
UCLA**

“ Thank you for such a wonderful, exciting, educational and fun experience for Lauren. You did a wonderful job at balancing sightseeing and fun activities, hitting all the high points. Your socialization "tricks of the trade" gave them the opportunity for greater bonding as a group and they all came home feeling like a huge family. Thank you! ”

– Carol & Perry Shear, Trumbull, Connecticut

“ Cassidy had the time of her life! She loved every minute of every day, from the group leaders and activities, to meeting an incredible group of kids! I never heard one complaint which is highly unusual from a teenage girl! I can't say thank you enough to her trip director Jesse and the gang who ran the trip without a glitch. We will absolutely recommend Westcoast Connection to our family and friends and anyone else who will listen! ”

–Marni & Jeffrey Levine, Marlboro, New Jersey

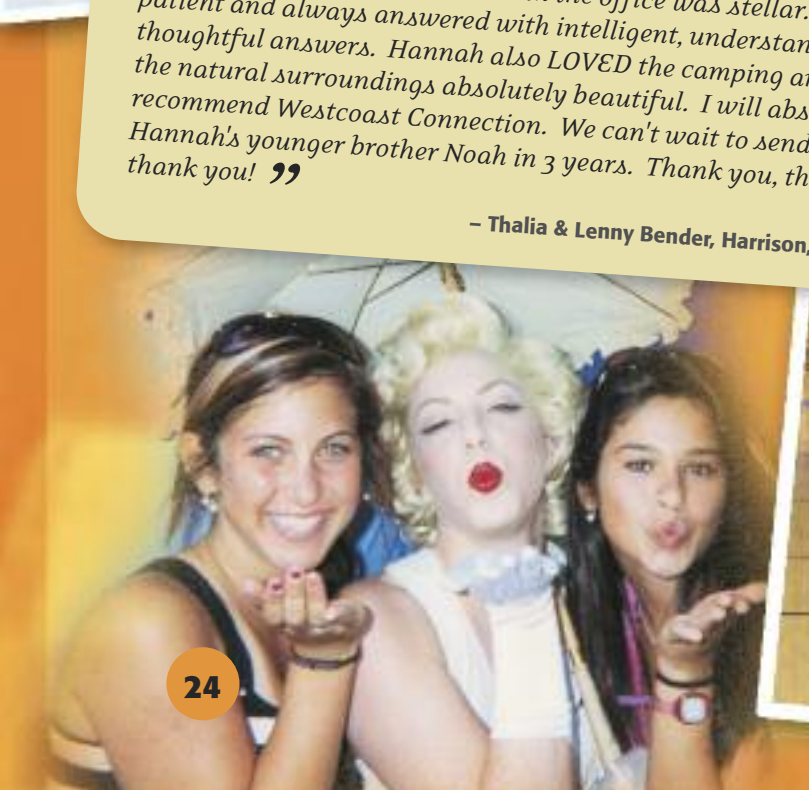

“ Hannah had a wonderful trip, the best summer of her life! Thanks for all that you do for the kids and all that you do to make the parents feel comfortable that their most important beings are in good hands. I had every expectation that Westcoast Connection was a responsible, well organized, hands-on organization and our experience with you continued to meet, and surpass, that expectation. Sophie, our liaison in the office was stellar. She was patient and always answered with intelligent, understanding and thoughtful answers. Hannah also LOVED the camping and found the natural surroundings absolutely beautiful. I will absolutely recommend Westcoast Connection. We can't wait to send Hannah's younger brother Noah in 3 years. Thank you, thank you, thank you! ”

– Thalia & Lenny Bender, Harrison, New York

“ THANK YOU for such a wonderful program for teens. I was so impressed with everything. Darien's so sad it's over. She was able to make friendships I know will last a lifetime, friends from all over the country and the world. Your web page really can't express the level of comfort you give parents, the safety of our children and the professionalism and energy of your staff. They handled everything extremely well. The experiences and sites were amazing. Thank you so very much! ”

– Adrienne Henry, Chicago, Illinois

*“ It was an amazing experience to get to live and travel with people from all around the world. I have made so many new friends and can honestly say I have never laughed so hard. We were always busy with fun activities, there was never a dull moment. The program was well structured, the staff was spectacular, I loved hanging out with them. My Director Shelby made the trip amazing and was there whenever someone needed her. ”*

**– Kaila Baroff, Commerce, Michigan**

*“ This is our 4th trip on Westcoast Connection and I have to thank you again for providing a safe and fun environment for the kids. Matthew had a wonderful time. We have recommended you to many friends who have sent their kids on trips with you, and we would not hesitate to recommend you again! Thank you for everything! ”*

**– Cathy & Kenny Beckman, Randolph, New Jersey**

*“ Michael's experience definitely surpassed our expectations. The trip was extremely well organized, the communication was quick and informative, and the level of supervision was completely appropriate. From Michael's perspective, the activities were exciting and fun, the staff was great, and the group of kids really bonded and formed lasting relationships with no exclusions. I thought you all did an incredible job of bringing everyone on the trip together. Now I know why I have never heard a negative remark about Westcoast Connection, you guys really know what you're doing! ”*

**– Mia & Warren Saks, Hampstead, Quebec**

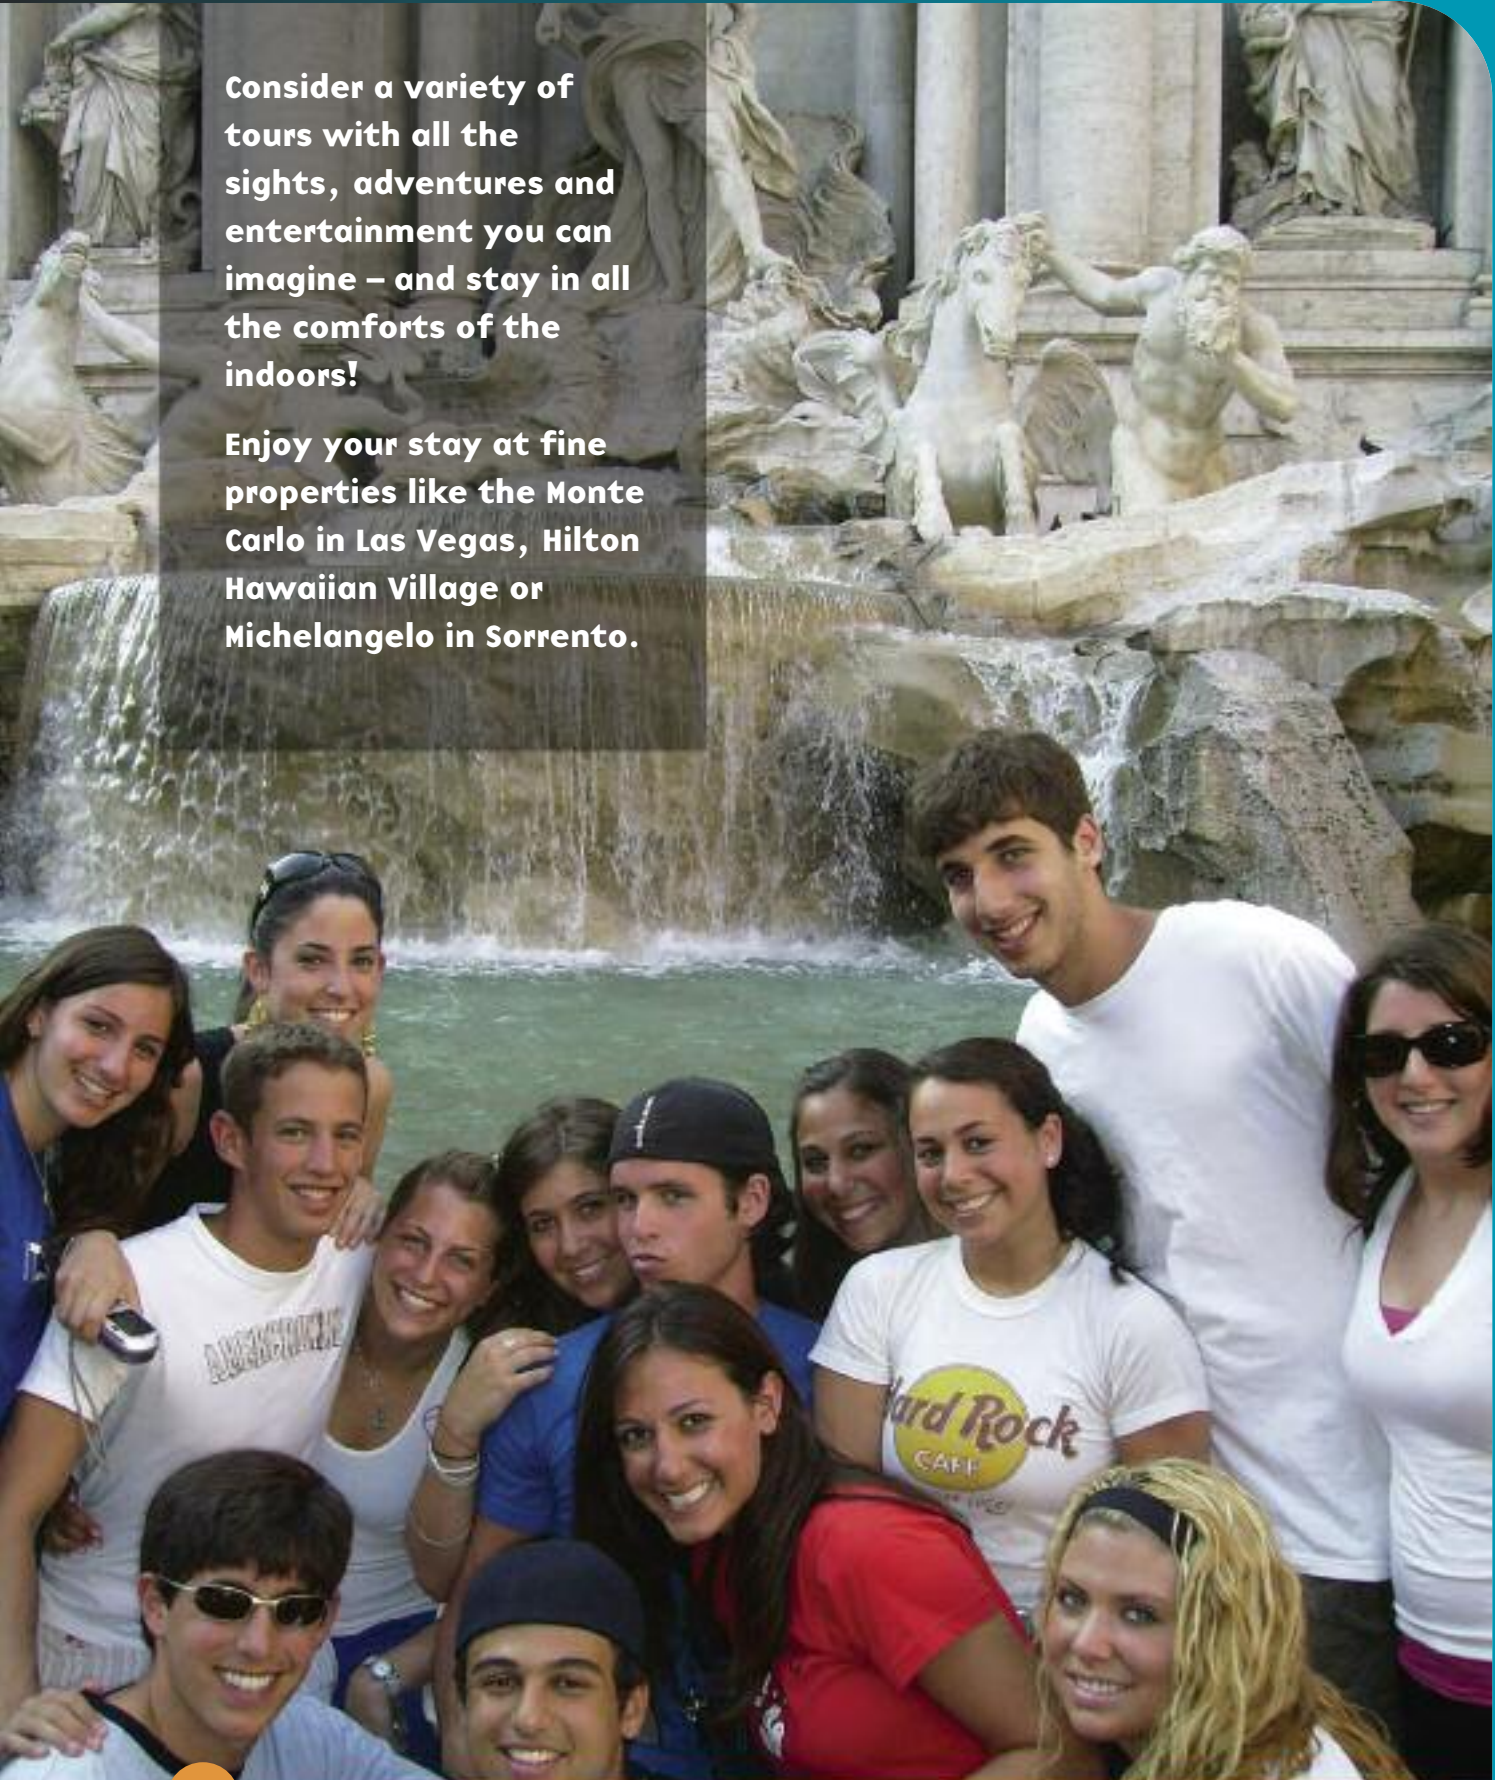

*“ Grant had the summer of a lifetime. He raved about all the leaders and the Director Jared was phenomenal. The places he went to were amazing, but the Westcoast Connection active and spirited philosophy really made the trip so much more meaningful and enjoyable than just going to a series of landmarks and cities. It was the people who supervised, organized and ran the trip that made it an experience that was so special, as well as the friends that he made, some of which will be buddies for life. As parents, we loved the blogs, and the photos were fantastic so creative and fun. We really could see that he was having a wonderful experience. We remain in awe at the incredible logistical planning that must go into creating a flawlessly organized journey like this. We are so grateful to Westcoast Connection and staff, and feel so fortunate that, just by chance, we chose it for Grant, over other companies which I bet would have lacked that special spark unique to Westcoast Connection. ”*

**– Lisa & David Gilbert, Boca Raton, Florida**

## PHILOSOPHY

Our focus is for group members to discover the incredible and diverse beauty of Israel, take part in many active outdoor recreational opportunities, learn both its ancient & modern history and to get to know its people. A trip to the "promised land" promises to be a thrilling and memorable summer – we believe in this being fun, so the program balances culture, history, and learning with adventure and play! Our program is an unaffiliated tour – we are not part of any movement. Though we are not religious, all meals that are included are kosher and the group does not travel on Shabbat. **We feature the best in accommodations, recreation, menus, transportation, supervision and support!**

## OUR PARTNER – SAFETY & SECURITY!

This tour is a joint program with IsraelWay/Oranim Educational Initiatives. IsraelWay/Oranim has 25 years experience planning Israel trips for many thousands of students with safety & security as the #1 priority! They handle logistics, ground arrangements, and most importantly 24 hour security and monitoring of our itinerary coordinated with all Israeli authorities. We use private transportation and the group is always accompanied by Israeli guides, an armed medic as well as our Director and leaders. Changes in the itinerary for security reasons are carried out without hesitation.

Westcoast Connection Travel Camp USA Inc. ("WCC")

**Application Process.** When WCC receives your Application and deposit, we will confirm your enrollment with a confirmation letter. We will then send you our forms booklet, containing the WCC medical form, Acknowledgment and Assumption of Risks & Release and Indemnity Agreement, risk and/or release forms required to be signed for WCC's outside contractors, and other forms. These forms contain important information about the program activities and associated risks, as well as your and TRIP MEMBER'S responsibilities. Please read these forms carefully and complete and sign as required. TRIP MEMBER'S final acceptance to the program is contingent upon WCC's receipt and review of all forms.

**Travel arrangements and Rules.** I authorize WCC and its representatives to make arrangements, accommodations, rules and regulations they may deem advisable, in their discretion, for the well-being and welfare of all TRIP MEMBERS. TRIP MEMBERS are expected to comply with all WCC rules and regulations.

**Tuition and Terms of Payment.** Terms of payment are as described above. Please see the brochure or website trip description for details and total trip costs. Payment covers the cost of lodging, meals as indicated, ground transportation, group activities, and internal flights where indicated (flights other than to the trip starting point & from the ending point). Tuition is based on costs including fuel & foreign exchange rates as of September 1, 2011. Although we do not expect to change our published fees, we reserve the right to do so in the event of increased costs, including, but not limited to increased fuel costs and/or currency exchange rates.

**Additional Costs.** I understand that WCC does not engage personnel qualified to provide medical, dental, health or other similar care or services to TRIP MEMBER. Therefore, I agree to pay all costs and expenses incurred directly or indirectly by WCC for this care or other expenses incurred for the well being of the TRIP MEMBER.

**Program Acceptance.** WCC serves teens from all over the U.S. and other countries. I agree to inform WCC *in writing*, before or in conjunction with this Application, of my child's current or past history of counseling and/or psychological or similar therapy for behavior issues or behavior modification. I understand that I have a continuing obligation to inform WCC of any new instance of counseling or therapy occurring after WCC's receipt of this Application, but before program departure. WCC reserves the right to refuse admission to programs, in appropriate cases.

**Photo Permission.** I authorize WCC and its representatives to take and/or use my or my child's photo, video recording or testimonial in any manner it desires, for advertising, display, publicity or other use.

**Lost, Stolen or Damaged Property.** WCC and its representatives shall not be responsible for a TRIP MEMBER's lost, stolen or damaged personal belongings.
