LANGUAGE OVERVIEW

Classes are 4 mornings a week in each of the following 3 locations for a total of 12 mornings of class on the 28 day program (the 21 day program is 8 mornings with no classes in Barcelona):

- Week 1: Madrid
- Week 2: Marbella, Costa del Sol
- Week 3: Barcelona

On those mornings with class, we meet from 9:30 to 12:30 including a break. The emphasis is on improving your ability to speak and understand spoken Spanish.

You are given opportunities to practice the skills you will need to communicate outside the classroom. Of course attention is also given to grammar, vocabulary, reading and writing skills, but the focus is on enhancing verbal skills. We don't just want you to know Spanish, we want you to be able to use it – whether ordering dinner in a restaurant or bargaining with local market vendors.

CERTIFICATE OF COMPLETION

Receive a certificate for the hours of class time completed noting the level you achieved.

COLLEGE CREDIT AVAILABLE!

On the 28 day program, the Spanish Language classes are available for 3 credits. You may choose the credit or non-credit option. Our teachers and staff are always happy to write letters of recommendation for college admission.
