

WHO WE ARE & WHAT WE DO

Four walls, books, desks, chairs, chalk boards? And then there's Carpe Diem's classroom: yoga, language immersion, trekking the Himalayas, building solar-ovens, thatching roofs, volunteering, meditation, leadership, and SCUBA diving.

The educational system unfortunately has in most cases forgotten about the whole-individual: focusing disproportionately on the mind to the exclusion of everything else that surrounds us. Genuine curiosity and a passion for learning have sadly gone neglected.

At Carpe Diem we are changing that with the practiced belief that "passion is a better predictor of 'success' than IQ will ever be." We firmly believe in the power of experiential learning as opposed to test scores & grades. By offering programs in every corner of the globe for the past decade, we have found that students learn best by experiencing lessons through travel; skills such as language development, cultural competency, and the rekindled ability to passionately explore and learn about their world are critical outcomes that every Carpe Diem student shares.

This is more than simply our theory on education though. Our students have access to 18 university credits per semester through a unique relationship we have pioneered with Portland State University setting us apart from other organizations. Full access to FAFSA Federal Financial Aid is a signature of our commitment to providing the best possible experience to the greatest diversity of students. We strongly believe that everyone deserves the opportunity to grow through this incredibly powerful, transformative, and educational experience.

"This trip challenged me and rewarded me in ways I did not know I needed...it was the most enriching and rewarding experience I have ever had and it will stick with me forever."

"I AM ABSOLUTELY
LOVING
THIS EXPERIENCE
IT IS **EXACTLY**
WHAT I WANTED
AND **MORE**"

-Lizzie

PROGRAM TUITION

GROUP SEMESTERS

\$8,900-\$11,900 (depending on region)

LATITUDES PROGRAM

\$17,900 includes two semesters: your choice of group semester plus a tailored Focused Volunteer Placement. Students get an orientation in Portland, OR., insurance for the entire year, and can earn up to 36 university credits from Portland State University.

UNIVERSITY CREDIT

Through a well-established and unique relationship with Portland State University, Carpe Diem semester students are able to pursue up to 18 quarter credits (a full semester term of credit) for an additional cost of only \$900.

LATITUDES students are automatically enrolled to pursue up to 36 credits (a full year's worth of credit) at no extra cost.

FINANCIAL AID & FAFSA

Carpe Diem programs qualify for FAFSA Federal Financial Aid when combined with college credit. Please visit our website for more detailed information on scholarships that have been previously awarded to Carpe Diem students.

OUR PROGRAMS

are designed for students interested in truly broadening their perspective and exploring both themselves and the world around them. While all of our cultural immersion programs involve environmental & social service volunteering, homestays, outdoor adventure, experiential education & an opportunity for free travel, each region incorporates them in its own unique way
