Intern In Chile

Valparaiso and Vina del Mar are located about an hour and a half drive from the capital city, Santiago, right by the beach. These two “sister cities” could not be more different.

“Valpo” is a tumble of 17 cerros, or hills, that are accessible by a series of elevators/lifts — every color is represented in the housing and there is a definite port feel to it (as there should be: prior to the opening of the Panama Canal, Valparaiso was the world’s busiest port)

“Vina” on the other hand, although just 5 minutes away and also right along the ocean, is modern, pretty built up and with a Casino to boot!

Internships are in Valparaiso and housing is in Vina del Mar.
