Intern In Seville

Seville has a feel all its own — as traditional as it is cutting edge, and as chaotic as it is modern.

Located in Spain's Andalucia region, Sevilla lies on the banks of the Guadalquivir River and is one of the largest historical areas or centers of Europe. Think cathedrals, palaces, museums, theatres, Maria Luisa Park, bullrings...

Once you get used to the accent and the speed of the Spanish spoken here, it can quickly become like a second home. The streets are interesting and winding and historic. Church bells ring all day long and while melancholy, are particular to Seville and hard to forget.
