# Intern In Madrid

**M**adrid is the capital of Spain, located right smack in the center of the country and with all the trappings a cultural and geographical center offer. From here there are the most options available, and at the best prices, to get to all corners of this fascinating country.

This is where the cultural heart of Spain beats — think concerts of both classic and contemporary music, plays, museums and theatres. Add 18th century Retiro Park and there is always something to do... and this is just during the day and early evening.

Madrid's world renown nightlife will engage you and this is where you will create some of the most amazing memories of your time in Spain.
