*"This experience is hands down, the best experience of my life. Every day was amazing and full of fun. I will never forget all the memories we have made and all the people I have met. This was absolutely amazing!"*

- Kayla Windham  
Texas A & M University

## Why Travel with ISV?

For over 27 years, over 19,000 students have volunteered with ISV, a non-profit public benefit corporation, contributing over two million hours of service overseas. ISV is the world's leading student volunteer and travel program because we have:

- In country offices with support 24/7
- Hundreds of volunteer projects overseas
- An educational focus with academic credit
- Commitment to our host organizations

## Volunteer Projects

Volunteers choose between conservation or community development projects. Each Volunteer Project runs in collaboration with well-established local organizations and is supervised by trained ISV leaders to ensure your safety and to meet the needs of those we serve. Volunteer teams consist of 8-15 participants.

## Adventure Tours

After your Volunteer Project, you will embark on Adventure Tour that will leave you breathless. Whether it's skydiving or snorkeling, caving or canyoning, ziplining or zorbing, you'll experience more adrenaline filled activities than most people dream about in a lifetime!
