## THE COURSE IN DETAIL:

You will be working at a school in Auckland, the largest city in New Zealand. Auckland is known as the city of sails and is surrounded by beautiful islands and extinct volcanoes. There is a shortage of teachers in New Zealand so you'll really be able to help make a difference here.

You will work as an assistant to the main teacher and will get involved in a variety of subjects. The school has a large number of ethnic children who are classed as the under-privileged community in Auckland. There are children from many different communities and countries at the school such as Maori, Somalia, Ethiopia, Tonga and Samoa. These children come from lower socio-economic areas of Auckland.

You will have the opportunity to work one-to-one and in small groups with the children to really give them the attention they need. This close interaction and undivided attention from you plays a very beneficial part in helping to raise their standards of education.

Class sizes vary between 20 and 30 children in each class and you will be teaching children between the ages of 4 and 12.

As an assistant teacher at the school you will be involved in a number of different subjects such as:

- Sports
- Music
- Drama
- Math
- Art
- Geography
- History
- English

... and possibly other academic subjects. If you'd like to teach a specific subject that is not listed here, please let us know and we'll arrange it for you.

## ABOUT THE SCHOOLS:

Our Teaching projects are based at schools in the suburbs of Auckland. You will be working as an assistant to the teacher at the school, thereby assisting him or her during their lessons and giving greater attention to the children in the classes.

The primary schools we work with have a large number of underprivileged children, some of whom are refugee children. The children are from various countries such as Sudan, Somalia, Tonga, Samoa and other Pacific island nations. All of the schools are 'low decile' schools, either decile 2 or decile 4 with decile 1 schools being the schools with the lowest socio-economic communities - and decile 10 schools being at the other end of the scale, which means the children come from a very poor social and economic background in New Zealand.

**This project is only available during term times. The term dates for 2011 are:**

**Term 1:** 3 Feb - 15 April

**Term 2:** 2 May - 15 July

**Term 3:** 1 August - 7 Oct

**Term 4:** 25 Oct - 20 Dec

The lessons you'll teach generally last for 40 minutes and the school day runs from around 8:55am to 3:00pm. Your working day will be around 4 to 5 hours of teaching and preparing for your lessons.

## POLICE CHECKS:

Within New Zealand Law it is compulsory for all volunteers who work with children to undergo a police check. These checks are done to ensure the safety of children in New Zealand.

The checks are a simple process and we will provide you with all the details of what identity you need to take with you. On your arrival in Auckland, our New Zealand manager will complete the checks with you and take you through the process. As soon as you have registered, you'll be allowed to start working with children.

The fee for the checks is included in your project price and we will ensure that you have all the relevant information before you come to New Zealand.

## DURATION:

4 weeks up to 1 year, subject to visa requirements. Extra weeks available, just ask your Project Coordinator about extending your stay while on your project.

## ACCOMMODATION & LOCATION:

You'll be accommodated in a centrally located lodge that is friendly and relaxing, making it ideal for long-term stays. You may have your own room or you may share a room with other volunteers. There is a communal kitchen and storage area for cooking meals and plenty of space to relax.

Entertainment at your accommodation includes cheap internet access, TV and free pool table. You are a stroll from the Sky Tower, harbour and waterfront. Accommodation is very central and close to the main train station and shopping district. Buses are also only a few minutes away to take you to parts of Auckland and New Zealand or to the many other 'things to do'!

The city centre boasts great shopping, restaurants and pubs or head over to the viaduct for more pubs, nightclubs and multicultural cuisine. You'll get to work via bus, which is close to your accommodation.

The city is modern and vibrant - a fun and friendly with beautiful surrounding islands and harbour.

Some of its the famous attractions around Auckland include the sky tower, Rangitoto island, the Hauraki gulf islands and the many extinct volcanoes that provide great views of the city.

Auckland has restaurants to suit all tastes - the most popular cuisine is New Zealand lamb which can be ordered at many restaurants around the city and is well worth it.

For meals in local restaurants, a trip to Auckland's inner city centre is well worth the effort - it bustles with activity and offers a range of choices of restaurants.
