Spain Meet and Greet Service

Making your own travel arrangements

Program participants have the choice of purchasing a ticket on the chaperoned group flights through our partner, STA Travel, or making their own separate flight plans. Program fees listed in the chart above do not include roundtrip airfare. Participants who make their own separate flight plans are also responsible for making their own arrangements to meet up with the chaperones and group at the initial hotel, unless they choose our Meet and Greet Service, which carries an additional fee of \$175 minimum per direction.

With the Meet and Greet service, an ECI representative will meet your son or daughter at the airport or any other designated arrival place. Prior to your child's departure, ECI will provide you with all necessary contact information, phone numbers, and a detailed meeting place and time. Once we have met your child, we will take him/her to meet the main group. The Meet and Greet is also available for the return trip, and we highly recommend it in either direction if your child is not traveling with the group. Remember that airline schedules are always subject to change.
