TESOL Certificate Course BARCELONA, SPAIN

The Catalonian capital city of Barcelona is renowned for the modernist architecture of Antonio Gaudi, which dominates the city with its unique art nouveau style. The city is also rich with history dating back to its days as a Roman colony. Today you can stroll through the romantic streets in the medieval quarter or catch the excitement of Las Ramblas, a wide avenue full of shops and restaurants that stretches from the city center to the waterfront. Amidst the artwork, fine cuisine, water sports and friendly people, Barcelona is an exceptional location for our TESOL course.

Practical Information about living in Barcelona:

Weather: Pleasant temperatures year round. Cool dry winters, warm summers, hot in August.

Travel: Easy access to local beaches and trains that run throughout Spain for a weekend getaway.

Shopping: Everything from markets set up around the city center to designer outlets. Catalonian wine will make a good souvenir.

Food: Typical dishes include fish accompanied by rice, noodles or potatoes. Cinnamon and saffron are common spices. A wide variety of vegetables is found in the cuisine, especially mushrooms. You also will find fresh and dried fruit served with roast meat and poultry.
